Supplementary Product Disclosure Statement

This is a Supplementary Product Disclosure Statement (SPDS) issued by AAI Limited ABN 48 005 297 807 AFSL No. 230859 (AAI). This SPDS was prepared on 18/05/22. This SPDS supplements the Apia Assisted Living Insurance Product Disclosure Statement prepared on 3/11/2020 (PDS) and must be read together with the PDS and any other SPDS we may give you for this PDS.

The purpose of this SPDS is to update information about how we will settle claims under the Optional cover 'Personal valuables-specified items' and 'How we settle contents claims'.

Changes to the PDS

1. Under the heading 'Personal valuables - specified items' on page 36 add under the 'We cover' section:

See 'How we settle contents claims' on page 42 for how we settle claims under this cover.

2. The paragraphs below the heading 'How we settle contents claims' on page 42 and above the heading 'When we settle contents claims we will not' on page 42 are deleted and replaced with:

'When your claim for loss, theft or damage to your contents (including Personal valuables - specified items) is covered, your contents may be replaced, repaired or we may pay you. We will aim to use a member of our supplier network to repair or replace damaged contents.

Sometimes this is not always possible or practical and this will determine how the contents claim will be settled.

This will not be possible or practical where:

- there is pre-existing damage to your contents item(s) or it is unsafe to repair them;
- we do not have a supplier for the lost or damaged items (or we do not have a supplier available in your area);
- the lost or damaged items cannot be itemised or measured (e.g. items that have been completely destroyed, or clothing that needs to be fitted);
- there is no expertise available in Australia to repair the item (e.g. artwork);
- the contents are consumables or low value items; and/or
- replacement(s) for the contents item(s) are not available readily at a supplier(s) convenient to you.

We will tell you if this is the case and we will settle your claim by paying you, see 'Paying you' below.

How we settle will depend on the circumstances of the claim including the cost of repair or replacement, your sum insured and any lower policy limits.

If the cost of repair or replacement exceeds your contents sum insured, you will be paid your contents sum insured.

Repairing your contents

We will engage a repairer within our supplier network who is able to complete the repairs to your contents to provide a quote. If the quoted cost to repair the item is less than the cost of replacement, we will authorise the repairs.

Replacing your contents

If the quoted cost to repair is more than the cost of replacement on a 'new for old' basis or if the contents item cannot be repaired, you have the option to accept a replacement on a 'new for old' basis sourced through our supplier network. See page 43 for what 'new for old' means.

Paying you

We will pay you to settle your claim:

- if you do not accept an offer to repair the contents item, you will be paid the quoted cost.
- if you do not accept an offer to replace the contents item, you will be paid the amount of our supplier's assessed quote to replace the item through our supplier network. This may be less than what it would cost you to arrange the replacement in the market. We are able to secure supplier discounts from within our supplier network.
- if it is not possible or practical for us to repair or replace damaged contents, we will pay you the amount of your repairer's/ supplier's assessed quote to repair or replace them on a 'new for old' basis.

To work out the amount of the assessed quote we will review the quote(s) provided by our supplier or if it is not possible or practical for us to repair or replace the damaged contents, the quote(s) you have provided to repair or replace the damaged contents, and assess those quote(s) to make sure that each quote is appropriate and reasonable for the scope of services or goods. This includes a consideration of the appropriateness of materials, repair method, labour and material costs and overall cost assessed to repair or replace the contents on a 'new for old' basis.

We will pay you by cheque or direct deposit into your bank account, or if available, you can choose to be paid with a voucher, store credit or stored value card.
