About your sum insured

What is a sum insured?

The sum insured is the most you can claim for any one incident unless stated otherwise in this PDS. The amount is shown on the certificate or in this PDS, and includes GST.

Make sure your sum insured is adequate

Underinsurance can expose you to serious financial loss if a claim occurs. It is your responsibility to make sure your home and contents are insured for their full 'new for old' replacement value.

To help you calculate the replacement value of your home and contents, we provide a 'Building Calculator' and a 'Contents Calculator' that you can access at our website, apia.com.au or you can call us on **13 50 50**.

Review your sum insured regularly

You need to ensure your sums insured are accurate when you first insure your home and contents and each time you renew your policy. To ensure your sums insured is adequate it is important to review it regularly, being mindful of items purchased recently and ask us to change the sums insured when required.

If you over-insure

We will not pay more than it costs us to rebuild, repair or replace your home or contents.

We will not refund any premium paid for over-insuring.

Adjustments on renewal

Apia automatically adjusts your home and contents sums insured on your certificate at the end of each period of insurance to account for various factors including inflationary trends.

About your premium

The premium is the amount you pay us for this insurance and it includes stamp duty, GST, other government charges and any fire services levy (FSL) that applies. The premium will be shown on your certificate as the 'Premium Total Amount' or, if you pay by instalments, the amount due monthly, quarterly, half yearly or yearly will be shown on your certificate.

In addition to your sum insured, we use many factors about you and your home and contents to work out your premium. These are called premium factors. The premium factors we use reflect the likelihood of you making a claim together with other factors related to our cost of doing business.

Each time you renew your insurance your premium is likely to change, even if your personal circumstances have not changed. This is because premiums are affected by other things such as our expenses of doing business and changes in our approach to how we calculate the premium.

Your premium includes any discounts we have given you.

Refer to the PED Guide for further information

Paying your premium

We will tell you how much you have to pay and how much time you have for payment on your certificate. You must pay the premium by the due date to get this insurance cover. You can pay in one annual payment or if we agree, by monthly, quarterly, half yearly or yearly instalments.

Unless we tell you, any payment reminder we send you does not change the expiry or due date. If you do not pay the premium due, we may reduce the period of insurance so it is in line with the amount you paid.

If you make a change to your policy details it may affect your premium you need to pay for the remainder of your period of insurance.

Late annual payments

If you do not pay your premium by the due date in the first year of insurance with us, we will give you a written notice of policy cancellation if we are required by law to do so.

If you do not pay the premium due on renewal by the due date, you will have no cover from the due date.

If we accept your late payment, we might recommence your cover from the date we receive your payment. If so, you will have no cover for the period from the due date until the date of payment.

Overdue instalments

If you pay your premium by instalments and your instalment is overdue, we can do one or both of the following:

- refuse to pay a claim if an instalment is **14** days (or more) overdue;
- cancel your policy without notifying you in advance if an instalment is **1** month (or more) overdue.

Your responsibilities

You must:

- keep your home, unit and any contents well maintained and in good condition. For what we mean by 'good condition' see 'Glossary of important words and phrases' on page 62;
- take reasonable care to prevent theft, loss, damage or legal liability;
- follow all the terms and responsibilities set out in your policy;
- provide honest and complete information for any claim, statement or document supplied to us;
- ensure that your home complies with local government or other statutory requirements at all times.

Not meeting your responsibilities

If you do not meet your responsibilities, it may lead us to do one or both of the following:

- reduce or refuse to pay your claim;
- cancel your insurance policy.

When your home or unit will be unoccupied for more than 60 days

We will apply the unoccupied excess to each incident covered by your policy unless this policy states that no excess applies to your claim if, at the time of the incident, your home or unit has been unoccupied for more than **60** continuous days.

A period of unoccupancy starts when your home or unit becomes unoccupied and comes to an end when you, or someone nominated by you, has occupied your home or unit for a least **2** consecutive nights. You may be asked to prove the occupancy of your home or unit in the event of a claim. This may be supported by the usage of the utilities that are connected to your home or unit. Sometimes we might ask for other evidence of occupancy. We will decide if the unoccupied excess applies.

If you have to pay an unoccupied excess it is payable in addition to any other excess that applies to your claim. For more details about the unoccupied excess, see page 48.

When you need to contact us

You must contact us when:

- you or your agent become aware your tenant starts to operate or intends to operate a business activity at the insured address;
- you or your agent become aware of changes to any business activity operated at the insured address, such as:
 - the type of business activity changes;
 - people start to come to the insured address;
 - business signage is installed;
 - storage of chemicals for the business activity occurs;
- any detail on your certificate is no longer accurate, such as the insured address;
- you intend to demolish your home, have lodged an application to do this, or a government authority has issued a demolition order;
- the insured address ceases to be tenanted;

- you commence building or renovations at the insured address;
- anything else happens that increases the chance that loss, damage or injury will occur at the insured address;
- you no longer have a rental agreement (see 'Glossary of important words and phrases') for the insured address.

What we will do when you contact us

When you contact us and tell us about these changes, we may decide to charge an additional premium or apply a special condition to your policy. In some cases, it could mean we can no longer insure you and we will cancel your policy.

Claims

Making a claim

Contact us as soon as possible if you suffer loss or damage, or there is an incident that could result in a claim.

What you must do

Step 1 Make sure everyone is safe. For emergencies, please call 000.

Step 2 Try to prevent further loss or damage.

If possible take reasonable steps to prevent further loss, damage or liability (e.g. if there is a hole in the roof, arrange for it to be covered to prevent further water damage from the rain).

Step 3 Immediately report any theft and malicious damage to the police.

Give them a list of all stolen or damaged items. Keep details of the date reported, name of police officer, police station reported to and the report number.

Step 4 Contact us as soon as possible on 13 50 50.

You can call us **24** hours a day. If you delay reporting your claim, we will not pay for any additional loss or damage caused by your delay.

Describe details of what has been affected by the event (e.g. a broken window, storm damage or a list of stolen items).

NOTE: If the damage to your home or contents was caused by another person, please provide us their name and address, or if applicable, their registration details.

How the Goods and Services Tax (GST) affects this insurance

You must tell us about the input tax credit (ITC) you are entitled to for your premium and your claim, each time you make a claim. If you do not give us this information or if you tell us an incorrect ITC, we will not pay any GST liability you incur. Our liability to you will be calculated taking into account any input tax credit to which you are entitled for any acquisition which is relevant to your claim, or to which you would have been entitled had you made a relevant acquisition.

Legal liability claims

You must tell us about any incident that has caused an injury to others or damage to other people's property.

You must also immediately tell us about any demands made on you to pay compensation to others and send these to us and any court actions or offers of settlement.

If you make a legal liability claim that is covered under this policy we can decide to defend you, settle any claim against you or represent you at an inquest, official inquiry or court proceedings.

If we decide to defend you, settle any claim against you or represent you, then you must give us all the help we need, including help after your claim is settled.

For more details on 'Legal liability' cover see pages 36 to 38.

To process the claim, you must

- allow us to inspect your damaged home and/or contents;
- allow us to arrange for experts to assess your damaged home and/or contents and to quote on repair or replacement;
- provide us with a quote for repair or replacement if we ask for this. If you choose to use our recommended repairers (when available), there is no need to obtain your own quotes;
- when requested, provide us with all proofs of ownership and value, information, co-operation and assistance in relation to a claim (including giving evidence in court) as we may reasonably require;
- allow us, or a person nominated by us, to recover, salvage or take possession of your home and/or contents. When we ask, you must send any items to us, or cooperate in our collection or retrieval of such items;
- consult an expert if we ask for this.

What you must not do

- do not dispose of any damaged parts or items of your home or contents without our consent;
- do not carry out or authorise repairs without our consent **unless** you cannot contact us and need to make emergency repairs to protect your home or contents;
- do not wash or clean or remove debris from any area damaged by fire without our consent **unless** you need to do this to prevent further loss;
- do not admit liability or responsibility to anyone else **unless** we agree;
- do not negotiate, pay or settle a claim with anyone else **unless** we agree;
- do not accept payment from someone who admits fault for loss or damage to your home or contents. Refer them to us instead.

If you do not comply

If you do not comply with 'What you must do' and 'What you must not do' we can reduce or refuse your claim.

If we decline a claim

We will provide reasons for our decision to decline and if you decide to lodge a claim, we will send you written confirmation of our decision.

How to establish your loss

Establish an incident took place

When making a claim you must be able to prove that an incident covered by your policy actually took place. If you do not do this, we will not be able to pay your claim.

We may obtain the following from the police:

- confirmation that you reported the incident;
- details of any investigations they undertook.

You must give us authority to access these records, if we ask.

Describe your loss or damage

You must also give us accurate and full details of what was lost, stolen or damaged and give us proof of value and ownership for items claimed if we request it.

When your home or contents are damaged

Allowing us, a repairer or an expert appointed by us, to look at what is damaged is usually all that is needed to prove your loss. Sometimes though we might ask you to produce a copy of the most recent plans and drawings for your home, photographs of your home or other evidence that supports the extent of the loss you have suffered. For valuable and badly damaged items, we may ask you to provide proof of ownership and value.

If we decide that you are unable to reasonably substantiate your claim, we might reduce or refuse your claim.

How to prove ownership and value

For lost, damaged or stolen items that are no longer available for inspection, you must validate your claim by giving us details of when and where they were purchased and reasonable proof of ownership and value.

We will decide what is reasonable proof of ownership and value depending on what you are claiming for, how old they are and their value.

If you are unable to reasonably substantiate your claim, we can reduce or refuse your claim.

Your excess

What is an excess?

An excess is the amount you have to pay for each incident when you make a claim. Sometimes you might have to pay more than one type of excess. The amount and types of excess are shown on your certificate or in this PDS.

The types of excess are:

Home or contents excess

This excess applies to all claims unless this policy states that no excess applies to your claim.

In most cases you can choose a higher excess to reduce your premium.

Theft or burglary by tenants or their guests excess

The theft or burglary by tenants or their guests excess is **\$500**. In the event of a claim under the insured event 'Theft or burglary by tenants or their guests', we will require you to pay this additional excess. This is in addition to any other excesses that apply.

Malicious acts and vandalism by tenants or their guests excess.

The malicious acts or vandalism by tenants or their guests excess is **\$500**. In the event of a claim under insured event 'Malicious acts and vandalism by tenants or their guests', we will require you to pay this additional excess. This is in addition to any other excesses that apply.

Unoccupied excess

The unoccupied excess is **\$500**. Unless stated otherwise in the PDS, this excess applies in addition to any other excess, if at the time of the incident your home or unit has been unoccupied for more than **60** continuous days.

When you claim for both home and contents

When both your home and contents at the one insured address are insured with us under this policy and your claim is for loss or damage to both arising from the one incident, you must pay whichever is the higher of your home or contents excess (plus any other applicable excesses).

When we may waive your excess

When you make a claim for damage to your home or contents and the incident covered by your policy was caused by another person (not the tenant or their guest) and we agree, we may waive the excess that would normally apply if you give us the name and address of the person responsible for the damage or if applicable their registration details.

How to pay your excess

When you make a claim we will choose whether to deduct the applicable excesses from the amount we pay you or direct you to pay the excesses to us or to the appointed repairer or supplier. We may require you to pay the excess in full before we pay your claim or provide any benefits under your policy.

Refer to the PED Guide for further information

How we settle your claim

We choose how we settle home claims

If we agree to pay a claim for loss, theft or damage to your home, we will decide if we will:

- repair damage to your home;
- rebuild your home;
- pay you what it would cost us to repair or rebuild your home;
- pay you the sum insured for your home.

If we rebuild (or pay you what it would cost us to rebuild), we will rebuild on a 'new for old' basis.

If we repair (or pay you what it would cost us to repair), we will at our option repair on a 'new for old' basis or repair to a similar condition to what your home was in before the loss or damage occurred.

We might offer you a voucher or stored value card for the amount it would cost us to repair or rebuild an item.

We choose how we settle contents claims

If we agree to pay a claim for loss, theft or damage to your contents, we will decide if we will:

- repair damage to your contents;
- replace your contents 'new for old';
- pay you what it would cost us to repair or replace your contents;
- pay you the sum insured for your contents.

If we replace (or pay you what it would cost us to replace), we will replace on a 'new for old' basis.

If we repair (or pay you what it would cost us to repair), we will at our option repair on a 'new for old' basis or repair to a similar condition to what your contents were in before the loss or damage occurred.

We may offer you a voucher or stored value card for the amount it would cost us to repair or replace your contents.

We will not:

- pay more than the relevant sum insured or policy limit;
- pay extra to repair or replace your home or contents to a better standard, specification or quality than it was before the loss or damage occurred **except** as stated in the meaning 'new for old';
- fix a fault that existed before the loss or damage occurred.

'New for old' means:

- we rebuild, replace or repair with new items or new materials that are available at the time of replacement or repair from Australian suppliers;
- we rebuild, replace or repair new for old regardless of age, with no allowance for depreciation; For example, a leather lounge which was purchased **5** years ago for **\$5,000** and now worth **\$2,000**, will be replaced with a brand new leather lounge equivalent to your old lounge when it was new. Cover is not limited to **\$2,000**.
- we replace or repair to the same type, standard and specification (but not brand) as when new. If the same is not available, it means of a similar type, standard and specification (but not brand) when new. We can replace with a different brand.

'New for old' does not:

- include paying the extra cost of replacing or purchasing an extended warranty on any item;
- mean of a better standard, specification or quality than when new.

When items may be replaced to a better standard

Refrigerators, freezers, dishwashers, air conditioners, washing machines and dryers with less than a 3 star energy rating

For these items when being replaced, 'new for old' means replacing with a new item of equal specification (but not brand) and if you agree, it means replacing with a minimum **3** star energy rating if this is available. It can be a different brand.

Obsolete electrical appliances

For obsolete electrical appliances such as outdated TVs, 'new for old' means, replacing or repairing to an equal specification. If this is not available, it means to the nearest better specification available. It can be a different brand. We do not insure electrical or electronic items that are no longer able to be used for the purpose they were intended.

When items cannot be replaced new for old

Paintings, pictures, works of art, antiques, sculptures, ornaments and art objects

For these items, 'new for old' means that if the item cannot be replaced 'new for old' or repaired, we will pay you what it would have cost to buy the item immediately before the loss or damage occurred.

Home claims

This section relates specifically to a claim made on your home policy and is in addition to the information in 'How we settle your claim' on pages 49 and 50.

When we authorise repairs or rebuilding of your home

If we need to source material in order to repair or rebuild your home, we will do our best to obtain new materials that are the same type, standard and specification. If the same is not available, we will use materials of a similar type, standard and specification that are commercially available and compliant with current building regulations.

We may enter into any building contract with the selected repairer and/or supplier on your behalf. We will oversee the repairs and keep you informed of their progress.

If you decide not to repair or replace your home, or do not or cannot commence repair or replacement within **6** months of the date the loss or damage occurred, we will only compensate you for what it would have cost to repair or replace your home at the date of the loss or damage.

When we cannot match materials

If we cannot find new materials to match undamaged parts, we will use the closest match available to us.

If you are not satisfied with the materials we find as the closest match before we repair your home:

If we agree, you can pay the extra cost of replacing undamaged parts of your home to achieve a uniform appearance.

Or we will pay you what it would have cost us to repair or rebuild the damaged part.

Repairing or rebuilding damaged parts

We will only repair or rebuild the parts that are damaged in the incident covered by your policy. You cannot claim to replace undamaged parts of your home to create a uniform appearance, such as when:

- **one garage door is damaged**
we will only replace or repair the damaged one, not other doors.
- **roof tiles are damaged**
we will only replace the damaged ones, not the undamaged tiles, even if the undamaged tiles are faded and do not match the new ones used for repairs.
- **roof sheeting is damaged**
we will only replace the damaged roof sheeting, not the undamaged roof sheeting, even if the closest match available to us is a different shade or colour to the undamaged roof sheeting.
- **an external wall is damaged**
we will replace the damaged parts of the wall, not undamaged areas of the wall or other sides of your home.

For the limited circumstances where we will repair or rebuild undamaged parts read page 52.

When we will repair or rebuild undamaged parts

If we cannot match the new materials with the undamaged parts, we will only pay extra to create a uniform appearance when:

- **wall tiles are damaged**
we will replace undamaged wall tiles in the same room, stairs, hallway or passageway* so they match or complement new tiles used for repairs.
- **other wall coverings are damaged**
(e.g. paint, wallpaper, wood panels, but not tiles)
we will pay extra to paint, wallpaper or replace undamaged wall coverings in the same room, stairs, hallway or passageway* where the damage occurred.
- **floor coverings are damaged (including tiles)**
we will pay extra to replace continuously joined undamaged floor coverings of the same material in the same room, stairs, hallway or passageway* where the damage occurred.
- **kitchen cabinets, cupboards or benchtops are damaged**
see 'Repairing or replacing kitchen cabinets, cupboards or benchtops' on this page.

*For the meaning of these terms refer to the diagrams on pages 53 to 55.

Repairing or replacing kitchen cabinets, cupboards or benchtops

We will repair damaged parts of your kitchen

We will repair the damaged parts of your kitchen cabinets, cupboards or benchtops.

When we will replace undamaged parts of the kitchen

To create a uniform appearance, we will pay extra to replace undamaged parts of the same cabinet, cupboard or benchtop so that they match the repaired parts.

Same cabinet, cupboard or benchtop means:

- those parts continuously joined to the damaged parts (this is one 'section');
- made out of the same materials; **and**
- on the same level.

See the case study on page 53 for a visual explanation.

NOTE: Sometimes replacing the benchtop, door fronts or drawers in the undamaged area is all that is necessary to create a uniform appearance. We will decide what is necessary depending on the circumstances.

Case study

The extent of repairs carried out to match undamaged areas in a kitchen.

To match undamaged areas to the damaged parts, they must be:

- continuously joined; **and**
- on the same level; **and**
- made of the same material.

In this kitchen case study

Areas 1, 2 and 3 will be treated as separate sections. The oven breaks up the bottom level into two sections (e.g. if only section 2 is damaged, we will not pay to replace sections 1 and 3).

***What we mean by same room, stairs, hallway or passageway**

Same room

A room is an area starting and finishing at:

- its nearest walls;
- nearest doorway, archway or similar opening of any width;
- a change in the floor or wall covering.

A hallway next to a room is not the same room, even if it has the same floor or wall covering as the room.

Any archway or similar opening separates a room **unless** it is a combined lounge-dining room (see page 54).

Combined lounge-dining room

We will only combine rooms with a shared doorway, archway or similar opening when:

- they are lounge and dining rooms; **and**
- the shared doorway, archway or similar opening is wider than **82cm**; **and**
- the floor or wall covering is the same in both rooms.

Open plan areas

When there is no wall, archway, doorway or similar opening, the room continues until:

- a change in the floor or wall covering;
- the nearest wall, doorway, archway or similar opening.

Same passageway or hallway

A passageway or hallway has the same meaning as a room. We will not combine a hallway and a room.

Same stairs

Side view of stairs.

Legend

-  Shaded areas show the area that we consider the same room, stairs, hallway or passageway.
-  Solid lines represent floor to ceiling walls.
-  Dotted lines show boundaries of a room or area where there is no physical barrier present (e.g. no wall or door).

Dealing with defects

If a known defect is the cause of the damage

We do not pay for loss or damage caused by a defect, structural fault or design fault at your home that you knew about (or should reasonably have known about) and did not fix before the loss or damage occurred.

If an unknown defect is the cause of the damage

If an incident covered by your policy damages your home and an unknown defect was the cause or part of the cause, we will pay for the resulting damage. If the unknown defective part is also damaged by the same incident, we will fix this as well.

We do not rectify structural or design faults

When we accept a claim, we will not pay extra to rectify a structural or design fault at your home that you knew about (or should reasonably have known about). We will only pay you what it would have cost us to fix the damage from the incident covered by your policy or if we agree, you can pay us the extra amount it costs to rectify the structural or design fault at your home.

If undamaged defective parts of your home will not support repairs

If undamaged defective parts of your home you knew about (or should reasonably have known about) will not support repairing damage by an incident covered by your policy, we will only pay what it would have cost us to repair the damage had your home not been defective.

For known defects or faults

Once you become aware of a defect, structural or design fault at your home, you must rectify it as soon as possible because there is no cover for loss or damage due to that defect. If you do not rectify the defect or fault, you may not be covered or we might not offer a renewal of your policy.

Changes to your home

If you want to change the design of your home

When repairing or rebuilding your home, if we agree, you can choose to change the design of your home or upgrade parts of it, providing you pay the extra costs of doing this. If you want to downsize your home for less cost than you are entitled to claim, we will not pay more than it costs us to rebuild the downsized home.

Choosing to rebuild on another site

If your home is to be rebuilt following an incident covered by your policy you can choose to have your home rebuilt on another site providing you pay any extra costs involved.

Lifetime guarantee on home repairs

When we repair or rebuild your home, we guarantee the quality of materials and workmanship of that work for the lifetime of your home if we:

- authorise;
- arrange; **and**
- pay the builder or repairer directly for this work.

What we guarantee

We guarantee the material used and standard of the workmanship to be free of defects. If a defect arises in the lifetime of your home as a result of poor quality workmanship or use of incorrect materials, then we will rectify the problem.

This guarantee does not apply:

- to repairs you authorise or make yourself;
- to loss, damage or failure of any electrical or mechanical appliances or machines;
- to wear and tear consistent with normal gradual deterioration of your home (e.g. paint peeling off after its expected life cycle, wood rotting from moisture in the air or ground, roofs weathering or a hot water tank leaking after its guaranteed life);
- where we agree with a repair quote and we give you, or the builder or repairer, payment for the cost of the repairs and you arrange the repairs.

Contents claims

This section relates specifically to a claim made on your contents policy and is in addition to the information in 'How we settle your claim' on pages 49 and 50.

When we repair or replace your contents

If we choose to repair damage to the contents or replace the contents, we will repair or replace with items or materials that are reasonably available at the time of repair or replacement from Australian suppliers.

We will do our best to replace to the same type, standard and specification (but not brand) as when new. If the same is not available, we will replace with items or materials of a similar type, standard and specification when new. It can be a different brand.

When we cannot match contents items

If we cannot find a contents item match we will use the closest match reasonably available to us.

If you are not satisfied with what we choose before we repair the contents:

If we agree, you can pay the extra cost of replacing other parts of your contents to achieve a uniform appearance.

Or we will pay you what it would have cost us, but only if we agree to this.

Items that form part of a set or collection

We will only repair or replace contents that are lost or damaged by an incident covered by your policy. You cannot claim to replace undamaged parts of the contents (e.g. when a lounge chair which is part of a suite is damaged beyond repair. We will pay to replace that chair, not the whole lounge suite).

When we will repair or replace undamaged contents

We will only repair or replace contents that are lost or damaged by an incident covered by your policy. You cannot claim to replace undamaged contents or undamaged parts of contents.

But there are limited circumstances where we will repair undamaged parts of contents to create a uniform appearance when:

- **internal blinds and curtains**

if we can't match the new material or parts with the undamaged ones, if necessary, we will pay extra to replace undamaged blinds and curtains in the same room, stairs, hallway or passageway* where the damage occurred.

- **carpets or other floor coverings**

if we can't match the new material or parts with the undamaged ones, if necessary, we will pay extra to replace undamaged floor carpets and other coverings in the same room, stairs, hallway or passageway* where the damage occurred.

*See pages 53 to 55 for 'What we mean by same room, stairs, hallway or passageway'.

If you want to change the contents

When repairing or replacing the contents, if we agree, you can choose to change the make and model of the contents item or upgrade to a different make and model of it, providing you pay the extra costs of doing this. If you want to downsize the contents item for less cost than you are entitled to claim, we will not pay more than it costs us to repair or replace the downsized contents item.

Other claims information

Potential impact on cover and premiums

After a home claim

If we only pay part of the sum insured to you, your home policy continues for the period of insurance.

If we pay the full sum insured to you, all cover under your home policy stops. There is no refund of the premium. If you have been paying premiums by instalments, we will deduct the remaining instalment premiums for the unexpired period of insurance, from the amount we pay for the claim.

After a contents claim

If we pay part of, or the full contents sum insured, the contents sum insured is automatically reinstated and cover continues for the period of insurance. You may need to change your insured address. You should reassess your contents sum insured. There is no refund of premium if you reduce your sum insured by the amount of your claim.

Salvaged home and contents items

If we replace or compensate you for an item, we then own the damaged or recovered item. If we agree you can keep an item we will determine the salvage value and we can deduct this amount from any payment we make to you.

Our right to recover claims we pay from those responsible

After we pay a claim under this policy, we can decide to take legal action in your name to recover money from the person or entity which caused loss, damage or liability. You must give us all the help we need to do this. If we recover money that belongs to you and was not part of the claim we paid, we will give this to you.

Refer to the PED Guide for further information

Financial Claims Scheme

This policy may be a 'protected policy' under the Federal Government's Financial Claims Scheme (FCS) which is administered by the Australian Prudential Regulation Authority (APRA).

The FCS only applies in the extremely unlikely event of an insurer becoming insolvent and the Federal Treasurer making a declaration that the FCS will apply to that insurer.

The FCS entitles certain persons, who have valid claims connected with certain protected policies issued by that insurer to be paid certain amounts by APRA.

Information about the FCS can be obtained from APRA at apra.gov.au or by calling **1300 55 88 49**.
