If there are no hire cars that meets your needs available from one of our providers within a reasonable distance of your location, then we will pay you the lesser of:

- the amount it would have cost us to provide you with a hire car that meets your needs using our provider, had one been available; **or**

Insurance for your hire car

After arranging a hire car for you with our provider, we will cover accidental loss or damage to the hire car under this policy during the covered hire period as if the definition of 'car' in the policy had been extended to include the hire car. However, cover for loss or damage to the hire car is limited to the market value of the hire car.

Limit

The benefit stops when:

- we repair your car and return it to you; **or**
- we settle your claim.

We do not cover

Any hire car costs following damage to your car if you cannot provide the name **and** address of the other driver **and** the registration number of the other vehicle who was at fault in the incident.
