I/We have received a copy of the Product Disclosure Statement (PDS) and Financial Services Guide (FSG).

If my/our application is accepted, I/we authorise the insurer, TAL Life Limited (TAL Life), to start this policy. I/We understand TAL Life is part of the TAL Dai-ichi Life Australia Pty Limited ABN 97 150 070 483 group of companies (TAL). TAL Life is not part of the Suncorp Group. TAL Life uses the Apia brand under licence from the Suncorp Group.

I/We understand there is a 30-day cooling-off period, so if I'm/we're not happy with the policy I/we can, in the first 30 days, ask for a full refund of any premiums paid unless a benefit has already been paid out under the policy.

I/We voluntarily consent and agree to and request that Apia and TAL group of companies contact me/us to offer, invite me/us to apply or promote and market (including via telephone where they have my/our valid consent) the products (including life and general insurance, banking and superannuation) and services they offer under the Apia brand. I/We am/are aware that my/our consent shall remain in effect in accordance with relevant law or until I/we tell Apia or TAL otherwise. If I/we do not want to receive any further information on other products offered by Apia or TAL groups under the Apia brand, I/we need to call 1300 513 300 or write to Apia Funeral Insurance, Reply Paid GPO Box 5380, Sydney NSW 2001 to opt out.

I/we request and authorise TAL Life (User Number: 245397) to arrange for the premiums for this Policy to be debited from the credit card or account nominated in this application, through the Bulk Electronic Clearing System (BECS). I/We acknowledge that this direct debit request is governed by the TAL Life direct debit request service agreement (DDRSA) and that I/we have read and agree to the terms of the DDRSA. I/We acknowledge that this debit will appear as 'Apia Life' on bank statements.

I/We understand that Apia Funeral Insurance provides Accidental Death Cover only for the first 12 months and death by any cause thereafter.
