Apia Essential Extras

apia.com.au/health

Extras cover is for services you can use every day to stay healthy, like going to the dentist, a visit to the physio or a new pair of glasses.

What's covered

Extras are services provided outside of a hospital. Medicare does not generally cover these services, so we help you pay for them.

At our Recognised Providers you'll receive 60% of the cost back (up to the annual limit and after waiting periods have been served) on:

- ✓ The cost of the consultation
- ✓ The cost of health appliances listed on this policy. Ask us about specific restrictions and replacements.

Our customers have the choice to use any provider with professional qualifications recognised by us. Please read the Policy Booklet for more information on our Recognised Providers.
