If you entered into a policy after 9am (AEST) 3 January 2019 we would expect that this was done with an awareness of this event and that it could affect travel. For these policies, claims that arise due to this event (for example, flight delays or cancellations) may not be covered or have reduced cover.

### **Making a Claim**

Keep all receipts for any additional transport, food or accommodation expenses you incur. If you are claiming cancellation or additional expenses you will need to submit documents showing what your original planned pre-paid arrangements were, along with any receipts and documents showing your new arrangements, and advice from the travel provider indicating the non-refundable portion of the journey.

Where possible, ensure any replacement accommodation and additional expenses are of a similar standard to that which you had planned and pre-paid.

Please note that any compensation and/or refunds you receive from a third party (e.g. airline) for transport, food or accommodation will be deducted if your claim is accepted.
